Requirement for Background Investigation

The Illinois Conviction Act (State of Illinois 70 ILCS 1205/80-230) now requires park districts to conduct a criminal background investigation for all applicants seeking employment. The Act also requires all applicants, as a condition of employment, to authorize a criminal background investigation.

The Act prohibits the park district from hiring an applicant convicted of any of the following criminal or drug offenses.

1. Convicted for committing attempted first degree murder or for committing or attempting to commit first degree murder.
2. Convicted for committing a Class X Felony.
3. Convicted for one or more of the following: indecent solicitation of a child, public indecency, prostitution, soliciting for a prostitute, soliciting for a juvenile prostitute, pandering, keeping a place of prostitution, patronizing a prostitute, pimping, juvenile pimping, exploitation of a child, obscenity, child pornography, harmful material, criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, and/or aggravated criminal sexual abuse.
4. Convicted for committing those offenses as defined in the Cannabis Control Act **except** as to those define in certain sections: possession of not more than 2.5 grams. Possession of more than 2.5 grams but not more than 10 grams, and or manufacture or delivery of not more than 2.5 grams.
5. Convicted for committing those offenses as defined in the Illinois Controlled Substances Act.
6. Any offense committed or attempted in any other state or against the United States which if committed or attempted in Illinois would have been punishable as one or more of the foregoing offenses.
7. Found to be the perpetrator of sexual or physical abuse of any minor less than 18 years of age pursuant to proceedings under Article II of the Illinois Juvenile Court Act.

Other convictions contained in an applicant's criminal conviction report will be reviewed by the Executive Director of the park district to determine if any felony conviction is in conflict with the park district policy for employment eligibility. It should be noted that a felony conviction of an applicant will not necessarily disqualify the applicant from employment at the Park District.

The Illinois Uniform Conviction Information Act provides that a copy of the record of the convictions received by the park district will be sent to the applicant for employment for their verification of the reports accuracy. All information relating to an applicant's criminal history will be kept strictly confidential by the park district.

If an applicant for employment at the Pekin Park District has any questions concerning the information contained in this Notice, please contact Cameron Bettin, Executive Director at 309-353-4328.
